808 Announces the North America Market Product Debut

Bradenton, Florida, Sept. 27, 2021 (GLOBE NEWSWIRE) -- 808 Renewable Energy Corporation (OTC Pink: RNWR) ("808" or the "Company"), today announces that the Company is planning to have an official product launch ceremony at The Florida Mall in Orlando on November 6th (Saturday), 2021.

According to Mr. David Chen, President and CEO of the Company, "The Florida Mall is located just minutes from the Orlando International Airport, Walt Disney World Resort and popular area attractions, The Florida Mall is Central Florida's largest shopping center. Spanning 1.7 million square feet and welcoming more than 20 million visitors annually, this dynamic shopping destination offers an experiential environment featuring more than 250 retail, dining and entertainment options enjoyed by domestic and international guests, local residents and families alike. Prominent department and anchor stores Macy's, Dillard's, JCPenney and Dick's Sporting Goods complement best of brand retailers like A|X Armani Exchange, Apple, Tesla, H&M, MAC Cosmetics, Michael Kors, Mayors Jewelers featuring Rolex, Victoria's Secret and ZARA. As Florida is the number one tourism state in the U.S. with nearly 120 million visitors from all around the world each year, and The Florida Mall has over 20 million visitors each year in traffic flow, therefore we are very excited to have our products debuted at The Florida Mall in Orlando.

Remy Breton, Vice President SilverLight Electric Vehicle commented, "We are also discussing other available outlets and mall spaces with Simon Property Group to set up our additional exhibition locations at the moment, and we feel confident that we should be able to reach our sales target of 10,000 Units for the first year (\$100,000,000 in sales revenue) "

Peter Chen, CFO of the Company further commented, "as we are fully maximizing and utilizing all our available resources in the industry, and taking advantage of our global supply chain platform. As a result, we will be able to maximize our production capacity and deliver aviation grade quality products with extremely competitive price to our customers. Our e-Bike products will have an unbelievable introductory retail price starting at just \$799.00 which are superb bargains for the North American market. The Company is also working on a very aggressive marketing plan to target the rental fleet markets in Florida and the islands within the Caribbean Area, we are truly excited and confident about the future growth of our company. "
